EXPLANATORY NOTES

► **Local Government Legislation.** The *Local Government Act, 1960-1973* provides for the constitution of municipal councils responsible for the administration of Cities, Towns and Shires in Western Australia. A general description of the Local Government system appears in Chapter III—*Constitution and Government of the Western Australian Year Book*.

► **Statistical Divisions.** The Statistical Divisions referred to in this publication comprise groups of complete and contiguous local government areas and are shown on maps appearing on pages 38-40.

In Tables 1-2 and 4-8, local government areas have been arranged in alphabetical order of Cities, Towns and Shires, where appropriate, within each Statistical Division. To facilitate reference to the tables, an index list of local government areas is provided on page 37.

As the formation of the Shires of East Pilbara and West Pilbara, with effect from 27 May 1972, altered the common boundary between the North-West and Pilbara Statistical Divisions, separate figures for these divisions are not now available. Consequently, in this publication, the component local government areas have been listed alphabetically under the single heading 'North-West and Pilbara Statistical Divisions'.

► **Local Government Areas.** In this publication, in the tables where information for separate local government areas is published, the names, designations and boundaries are as they existed at 30 June 1973. The only change in name or designation that occurred during 1972-73 was as follows :

The name of the Shire of Nyabing-Pingrup was changed to the Shire of Kent with effect from 1 December 1972.

► **Vehicle Licences and Fees.** Under the Traffic Act the licensing of motor vehicles is the responsibility of the Director of the Department of Motor Vehicles and of local government authorities. The Director is responsible for the licensing of vehicles in the Metropolitan Traffic Area and in each of those local government areas whose Council has voluntarily relinquished such responsibility to the metropolitan licensing authority under the provisions of the *Traffic Act Amendment Act (No. 2), 1969*. At 31 December 1973 the vehicle licensing power of twenty-six Town or Shire Councils had been so transferred. These twenty-six local authorities comprised Broome and West Kimberley (1 January 1969), Serpentine-Jarrahdale (1 January 1970), Esperance, Manjimup and Ravensthorpe (1 October 1970), Merredin (1 January 1971), Busselton (1 April 1971), Ashburton (now West Pilbara), Lake Grace, Murray and Wyndham-East Kimberley (1 July 1971), Marble Bar and Nullagine (now East Pilbara), Roebourne, and Tableland (now West Pilbara) (1 July 1972), Kondinin (1 August 1972), Northam (Town) and Port Hedland (1 October 1972), Coolgardie (1 January 1973), Halls Creek (1 April 1973), Laverton, Leonora, Menzies and Wiluna (1 July 1973), and Tambellup (1 October 1973). The Metropolitan Traffic Area at 31 December 1973 comprised the Cities of Perth, Fremantle, Melville, Nedlands, South Perth, Stirling and Subiaco; the Towns of Canning, Claremont, Cockburn, Cottesloe, East Fremantle, Gosnells and Mosman Park; the Shires of Armadale-Kelmscott, Bassendean, Bayswater, Belmont, Kwinana, Peppermint Grove, Rockingham and Serpentine-Jarrahdale; and part of the Shires of Mundaring and Swan.

Prior to the operations of the *Acts Amendment (Road Safety and Traffic) Act, 1973*, the vehicle licensing powers exercised by the Director of the Department of Motor Vehicles were held by the Commissioner of Police.

► **Vermin Boards and Water Boards.** Financial transactions in connection with vermin control are (with some exceptions) included in the Annual Statement of Receipts and Payments of the local government authorities concerned. However, it has been found administratively expedient for a small number of Vermin Boards and Water Boards to remain financially independent. Statistics relating to these Boards are presented separately in Table 9. The figures appearing in Tables 10-12 include the transactions of both Vermin Boards and Water Boards.

For detailed statistics of water supply, sewerage and drainage, the reader is referred to *Statistics of Western Australia—Rural Industries* and to the Annual Reports of the Metropolitan Water Supply, Sewerage, and Drainage Board and the Public Works Department.

► **Regional Traffic Councils.** Section 329 of the Local Government Act provides that, for local government purposes, the whole or part of the combined area of two or more municipalities may be constituted a Regional District. In each such Regional District a Regional Council is established for the exercise of specific powers delegated to it by the Councils of the constituent municipalities. Table 14 shows the financial transactions during 1972-73 of Regional Councils established for the purpose of traffic control.

► **Rounding of Figures.** Monetary amounts appearing in Tables 3 and 10-13 have been rounded to thousands of dollars without making those adjustments which would be needed to make the rounded figures add to the rounded total. It is for this reason that figures do not always add to the totals shown in the tables.

(a) Population statistics appearing in this table refer to total population, i.e. including Aborigines. The numbers of dwellings are also on the basis of total population. (b) Names, designations and boundaries of local government areas as they existed at 30 June 1973. Some figures recorded at the Census, 30 June 1971, have therefore been adjusted to conform to such boundary changes as have occurred in the post-censal period in order to provide statistics on a comparable basis. (c) The numbers shown comprise occupied and unoccupied private dwellings consisting of separate houses, attached houses, semi-detached houses, town houses, villa units and self-contained flats. Other private dwellings such as improvised homes, and special (non-private) dwellings such as hotels, motels, etc. are excluded. Estimates are based on the number recorded at the 1971 Census adjusted for subsequent construction, conversion or demolition of dwellings. (d) Includes Houtman Abrolhos (unincorporated). (e) Refers to persons (both passengers and crew) who, at midnight on census night, were enumerated on board ships in Western Australian ports, or ships which had left an Australian port before census night for a next port of call in Western Australia. It includes also those who were enumerated on long-distance trains, motor coaches or aircraft. (f) Not available; separate figures for migratory population are available only at census dates. (g) Area as determined in 1973 by the Division of National Mapping, Department of Minerals and Energy.

NOTE. 1 square mile = 2.6 square kilometres (approx.).
